## When to arrive at the Swap Meet

If you are planning on being a vendor at the Swap Meet you may meet outside the room an hour before the event starts. A staff member will allow entry to vendors first an hour in advance, and will open the event to attendees at the scheduled time.

Only the vendor is allowed into the room before the event starts. Your friends will need to wait in line to enter when the event starts. You are allowed one helper if you are bringing a lot to the Swap Meet.

**Notice to vendors:** Kokorokon is not responsible for your items in the room during the event. Please watch your items carefully. Kokorokon is also not responsible for the handling of sales. Please set your own prices and be aware attendees are allowed to haggle. The method of payment is up to you as well as the terms of the sale/trade. Please listen to Kokorokon staff if instructed and be sure to clear the room once the event is over. Items left will be turned in to lost and found.

## Information for attendees coming to the Swap Meet

The vendors in this room are attendees like you with items for sale or trade. They will set their own prices and payment methods. Please have cash on hand or a virtual method of payment ready for this event.

Attendees may arrive a half hour early for this event. A staff member will be coordinating a line for you to wait in until the event start time. Only vendors are allowed into the room before start time, no exceptions. Once the event has started we will allow you entry into the event. You may come and go from this event for its duration. Please note all sales are final unless otherwise agreed upon between you and the vendor.

**Notice to attendees:** Be respectful of those around you and of the vendors. You may haggle, but harassment will not be tolerated. Listen to instructions from Kokorokon staff and clear the room when the event closure is announced.
